Skilled Nursing Facilities

A **Skilled Nursing Facility (SNF)** is a facility that is required to provide continuous (24-hour-a-day) nursing supervision by registered or licensed vocational nurses. Commonly referred to as "nursing homes" or "convalescent hospitals," these facilities normally care for the incapacitated person in need of long- or short-term care and assistance with many aspects of daily living (walking, bathing, dressing, eating). SNFs provide medical, nursing, dietary, pharmacy, and activities.
